

COMPASSION CONNECTION

*The Rental Company has always been committed to helping the community when and where it is able. The **Compassion Connection** is a program to help provide awareness and **opportunity for our clients to donate to local organizations**. We are not only helping our customers have an opportunity to donate to these organizations, but are also going to be donating to the organizations over the next year. We will help provide in kind trade for their fundraising events, encourage our employees to volunteer and donate their personal funds to the organizations, and help promote the organizations in the community.*

When you donate to one of the four organizations listed below, we will take your donation off of your Rental Company order total.

***Up to a 10% of your order with a cap of \$200.00.**

You are encouraged to donate above and beyond this amount as you are able!

Please make your donation out to the organization listed below and submit to The Rental Company for processing:

Compassionate Heart Ministry compheart.org

Compassionate Heart Ministry provides a fun, safe Christian drop in center for teens and young adults with disabilities. Our mission is to provide a place where these special young people can make friends and meet people through our peer mentors. Our goal is to help them feel valued, included and loved by their peers and the community at large.

Good Samaritan Ministries goodsamministries.com

At Good Samaritan Ministries, we operate a variety of programs that further our mission of ending poverty and homelessness by empowering people to work their way out of poverty. Your gift provides support for families that are homeless and those struggling to make ends meet.

Saugatuck Center for the Arts sc4a.org

The Saugatuck Center for the Arts works with schools in Allegan, Ottawa, and Van Buren Counties giving children access to innovative, creative educational programming. Because each of these counties has deep pockets of poverty, the SCA has built cost-free programs like our Children's Film Festival and Potawatomi Cultural Festival, plus "Growing Young Artists" that targets migrant children in Fennville and South Haven. Your gift supports these learning opportunities, which teach crucial 21st century skills that children need to succeed economically.

Sylvia's Place sylviasplace.com

Sylvia's Place is an 18 bed safe house available to women and children fleeing domestic violence. Our mission is to create and sustain a safe environment that empowers women and children through preventative education and advocacy, which promotes stronger individuals, families, and communities.
